## Section 2: EX-99.1 (EXHIBIT 99.1)

### **Saga Communications, Inc. Announces 10b5-1 Plan Authorization to Facilitate Stock Repurchases**

GROSSE POINTE FARMS, Mich., Sept. 14, 2017 /PRNewswire/ -- Saga Communications, Inc. (NYSE American: SGA) today announced that, to facilitate the repurchase of shares of its Class A Common Stock under the Company's stock buy-back program, its Board of Directors has authorized the repurchase of its Class A Common Stock under its trading plan adopted pursuant to Securities and Exchange Commission Rule 10b5-1. The Rule 10b5-1 repurchase plan allows the Company to repurchase its shares during periods when it would normally not be active in the market due to its internal trading blackout periods. Under the plan, the Company may repurchase its Class A Common Stock in any combination of open market, block transactions and privately negotiated transactions subject to market conditions, legal requirements including applicable SEC regulations (which include certain price, market, volume and timing constraints), specific repurchase instructions and other corporate considerations. Purchases under the plan will be funded by cash on the Company's balance sheet. The plan does not obligate Saga to acquire any particular amount of Class A Common Stock. The authorization announced today is effective until September 1, 2018, but may be suspended, extended or amended at any time at the Company's discretion.

The Company's stock buy-back program, which has been in place since 1998, currently has remaining authorization of approximately \$23 million for repurchases of the Company's Class A Common Stock. The Company has repurchased approximately \$52 million in shares during the term of the program.
