

## Saga Communications, Inc. Reports 1st Quarter 2023 Results

May 3, 2023

GROSSE POINTE FARMS, Mich., May 03, 2023 (GLOBE NEWSWIRE) -- Saga Communications, Inc. (Nasdaq - SGA) (the "Company" or "Saga") today reported that net revenue increased 1.3% to \$25.3 million for the quarter ended March 31, 2023 compared to \$25.0 million for the same period last year. Station operating expense increased \$1.1 million for the quarter to \$21.7 million compared to the same period last year. A significant part of the increase in station operating expense for the quarter was due to a \$272 thousand increase in our self-insured health care costs and a \$446 thousand increase in employee compensation including payroll taxes at the station level. After a number of years of holding the Company's compensation expenses flat, we decided that adjustments in our employee compensation were warranted in consideration of the economic times and inflationary environment. For the quarter, station operating income decreased \$770 thousand to \$4.8 million, and operating income was \$905 thousand compared to \$1.7 million for the same quarter last year. Free cash flow was \$1.1 million for the quarter compared to \$1.9 million for the same period last year. Capital expenditures were \$1.4 million for the quarter compared to \$923 thousand for the same period last year. We had net income of \$920 thousand for the quarter compared to net income of \$1.2 million for the first quarter last year. Diluted earnings per share were \$0.15 in the first quarter of 2023.

The Company paid a quarterly dividend of \$0.25 per share on April 7, 2023. The aggregate amount of the quarterly dividend was approximately \$1.5 million. To date Saga has paid over \$108 million in dividends to shareholders since the first special dividend was paid in 2012. The Company intends to declare regular quarterly cash dividends, special dividends, variable dividends and stock buybacks in the future.

The Company's balance sheet reflects \$37.5 million in cash and short-term investments as of March 31, 2023 and \$35.0 million as of May 1, 2023. The Company expects to spend approximately \$5.0 – \$5.5 million for capital expenditures during 2023.

Saga's 2023 First Quarter conference call will be held on Wednesday, May 3, 2023 at 11:00 a.m. The dial-in number for the call is (973) 528-0008. Enter conference code 465239. A recording and transcript of the call will be posted to the Company's website as soon as it is available after the call.

The Company requests that all parties that have a question that they would like to submit to the Company please email the inquiry by 10:00 a.m. on May 3, 2023 to [SagaIR@sagacom.com](mailto:SagaIR@sagacom.com). The Company will discuss, during the limited period of the conference call, those inquiries it deems of general relevance and interest. Only inquiries made in compliance with the foregoing directions will be discussed during the call.

The attached Selected Supplemental Financial Data tables disclose the Company's trailing twelve-month consolidated EBITDA and a reconciliation of operating income to station operating income.

Saga utilizes certain financial measures that are not calculated in accordance with generally accepted accounting principles (GAAP) to assess its financial performance. Such non-GAAP measures include same station financial information, free cash flow, station operating income, trailing 12-month consolidated EBITDA, and leverage ratio. These non-GAAP measures are generally recognized by the broadcasting industry as measures of performance and are used by Saga to assess its financial performance including, but not limited to, evaluating individual station and market-level performance, evaluating overall operations, as a primary measure for incentive-based compensation of executives and other members of management and as a measure of financial position. Saga's management believes these non-GAAP measures are used by analysts who report on the industry and by investors to provide meaningful comparisons between broadcasting groups, as well as an indicator of their market value. These measures are not measures of liquidity or of performance in accordance with GAAP and should be viewed as a supplement to and not as a substitute for the results of operations presented on a GAAP basis including net operating revenue, operating income, and net income. Reconciliations for all the non-GAAP financial measures to the most directly comparable GAAP measure are attached in the Selected Consolidated Financial Data and Selected Supplemental Financial Data tables.
