Report of Independent Auditors

Plan Administrator
Saga Communications, Inc.
Employee Stock Purchase Plan

We have audited the accompanying statements of financial condition of the Saga Communications, Inc. Employee Stock Purchase Plan as of December 31, 2000 and 1999 and the related statements of income and changes in plan equity for the year ended December 31, 2000 and for the period from July 1, 1999 to December 31, 1999. These financial statements are the responsibility of the Plan's administrator. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the Plan Administrator, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of the Saga Communications, Inc. Employee Stock Purchase Plan at December 31, 2000 and 1999, and the results of its operations and changes in its plan equity for the year ended December 31, 2000 and for the period from July 1, 1999 to December 31, 1999 in conformity with accounting principles generally accepted in the United States.

EMPLOYEE STOCK PURCHASE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2000

1. DESCRIPTION OF THE PLAN

In 1999, the stockholders of Saga Communications, Inc. ("Company") approved the Saga Communications, Inc. Employee Stock Purchase Plan ("Plan") under which 1,250,000 shares of the Company's Class A Common Stock could be sold to the Company's employees. The Plan was effective July 1, 1999, and employees were eligible to begin contributing on October 1, 1999.

Employees are eligible to participate in the Plan if they are employed by the Company or any of its subsidiaries and 1) customarily works a minimum of 20 hours per week and 2) has completed six consecutive months of service.

Each calendar year quarter, an offering is made to eligible employees to purchase Class A Common Stock of the Company under the provisions of the Plan. An eligible employee may elect to withhold 1 to 10 percent of their compensation (up to a limit of \$25,000 per year) to purchase shares of the Company's stock at a price equal to 85 percent of the fair value of the stock as of the last day of such quarter. The Company contributes the difference between the cost of shares acquired and the participant purchase price.

Participants are not permitted under the Plan to dispose of any shares purchased under the Plan within two years after the later of (i) the beginning of the quarter in which a deduction was taken from the participant's compensation for the purchase of the shares, or (ii) the expiration of one year from the date the shares were transferred to the participant.

Participants are immediately 100% vested in the Plan.

Shares are purchased on the last day of each quarter. There were 16,809 and 3,309 shares issued under the Plan during 2000 and 1999, respectively.

The Plan will terminate upon the issuance of 1,250,000 shares pursuant to the Plan, unless an extension of the Plan is approved by the stockholders of the Company. In any event, the Plan will not continue beyond December 31, 2008. The Company currently has no intention of terminating the Plan.
